Notes

- Signs are best at 1800mm wide x 1200mm high to fit existing spaces
- The locations noted above have been used in the past - other locations are available. Overhead photos of locations are available on the website below
- Signage can generally be displayed on private property as long as they don't create a distraction for traffic
- Benefitz can print, install and remove signs for around \$200 per sign - talk to The PumpHouse or Benefitz directly for a quote
- Auckland Transport sometimes remove signs they consider to be damaged or in the wrong location. Its best to have a sticker with a name and contact number on the back of each sign or they will be destroyed
- Signs can be placed at any of the locations specified for Election signs - for a full list see <https://at.govt.nz/about-us/bylaws/election-signs-bylaw/>
